Sir:

The citations enumerated on the list of references cited (modified Form PTO-1449) appended hereto may be material to the patentability of the above-identified application and are therefore submitted in compliance with the duty of disclosure defined in 37 CFR 1.56. The Examiner is requested to make these citations of official record in this application by initialling the citations on the enclosed modified Form PTO-1449.

The May 10, 2000 International Search Report from PCT/AU00/00129 is relied upon as an English language statement of the pertinency of the three references cited therein. A copy of the International Search Report is enclosed. Copies of the listed references should have been supplied with the International Search Report. However,

Information Disclosure Statement

copies of the listed references will be furnished if requested.

This Information Disclosure Statement Under 37 CFR 1.56 is not to be construed:

1) as an admission that the information cited is, or is considered to be material to patentability as defined in 37 CFR 1.56(b), 2) as a representation that a search has been made, 3) that additional information that may be material to the patentability of this application does not exist, or 4) that any one or more of these citations constitute prior art under 35 USC 102.

Respectfully submitted,

Barry I. Hollander
